Sir:

Applicants respectfully request approval of the attached four (4) replacement sheets of drawings containing FIGs. 7-11 to be substituted for the corresponding drawing sheet presently on file in the above-identified application.

In particular, Figures 7-10 have been amended to clarify that there is no return wire as indicated by the end of the coil being connected to terminal 13. Support can be found in paragraph [0043] of the originally filed specification. As no new matter has been entered, Applicants respectfully request that the replacement sheets of drawings be entered.

Although it is believed that there are no fees associated with this filing, if there are any other fees due in connection with the filing of this response, please charge the fees to our Deposit Account No. 50-0310. If a fee is required for an extension of time under 37 C.F.R. 1.136 not accounted for above, such an extension is requested and the fee should also be charged to our Deposit Account.

Respectfully submitted,
